DIPLOMA CEREMONIES are held for each residential college and all schools immediately following exercises on Old Campus. In the event of inclement weather, some outdoor diploma ceremonies may be moved to alternative locations. An announcement to that effect will be made from the Commencement platform and will be posted on the Commencement website and app (commencement.yale.edu). Other ceremonies will take place as scheduled under tents in college or school courtyards. Ceremony locations are listed below in regular type. Indoor locations, to be used in case of inclement weather only, are noted in italics. All locations are shaded in dark gray on the maps at right and above.
